NOTIFICATION

No. 572/ICE/O/IPI/GEN-MIS/33/2024

Date: 30.09.2024

WHEREAS, Department for Promotion of Industry and Internal Trade, Government of India has recommended development of a compliance dashboard in State Single Window Portal “Silpasathi” for all business units to streamline operations and enhance efficiency.

AND WHEREAS, by consolidating all necessary information into a single Dashboard, business units can easily track their compliance status, ensuring timely adherence and reducing the risk of accidental negligence and also get an overview of the business's performance, effectiveness, and regulatory compliance.

NOW THEREFORE, it has been decided to implement a compliance dashboard for all business units which aims to provide meaningful insights on upcoming/ pending compliance activities like renewals, etc. by highlighting approaching of timeline or pendency in compliance, thereby acting as an active reminder system, in order to avoid non-compliance or delay in compliance by business units. It has also been decided to develop a trigger mechanism where the system will send automatic reminders to the business units at least 30 days prior to the due date for all compliances/ approvals/ licenses/ NOCs. The system will also detail out the area-wise compliances such as Labour, Environment, Legal Metrology, Factories, Boilers etc. and corresponding observations regarding lapses/ delays, if any, and accordingly system generated ratings/ grades (A, B, C, D), will be provided to the business units on the basis of compliance performance.

This Notification will take immediate effect.
