Approval for DG set installation provided as a service through 'SilpaSathi' the Online Single Window portal of State (WB)

Introduction

This document is intended to serve as a User Manual for grant of the service “**Approval for DG set installation**” by **Dte of Commercial Taxes, Govt. of West Bengal** through Single window of the State, 'SilpaSathi'. The service is integrated with the Single Window (SilpaSathi) and can be accessed through the SilpaSathi portal. This document has been designed as a user-friendly guide to assist applicants in filling their application forms. It will help them to familiarise with the entire procedure in a seamless manner for successful submission of application and download final Approval certificate from the SilpaSathi portal without the requirement of physical visit to the Department(s).

Salient Features of Silpasathi Portal:

- The Single Window Portal of the State of West Bengal (SilpaSathi) allows seamless integration with portals of different government departments thereby providing single login credential for various applications, eliminating the need to provide common information multiple times in different forms of various Departments, and ensuring all clearances are available from a single portal.
- It serves as a digital gateway for providing the necessary statutory compliances under the applicable Acts, Rules, Policies and Schemes of the Govt of West Bengal from a single portal.
- Business Entrepreneurs can get certificates and licences required for setting up and operating business in the State in a smooth and time-bound manner, smooth and time-bound manner, without the need to visit any government department or office.

About the Service

Approval for DG set installation is typically obtained from the local authorities, such as the electrical department or town planning department, before commencing with the installation. Approval for a diesel generator (DG) set installation is required to ensure the safe operation of the generator and to ensure compliance with the Central Electricity Authority's regulations. The online system has the following features without the requirement of physical visit to the Department: 1) Submission of Application 2) Online Payment of fees 3) Track Status of Application 4) Online Download of final approval certificate 5) Third Party Verification.

Comprehensive Checklist of Documents to be submitted online

The applicant is required to submit the following documents in order to apply for the service:

#	Documents Required	Detailed Description
1.	Commissioning report of the own Generating Plants	Commissioning report of own generating plants refers to a document that outlines the testing and validation process of an entity's own power generation facilities
2.	Copy of last electricity bill	Copy of latest electricity bill detailing out the surges

Approval for DG set installation provided as a service through 'SilpaSathi' the Online Single Window portal of State (WB)

#	Documents Required	Detailed Description
3.	Logbook of relevant documents for ascertaining consumption of electrical energy for calculating arrear electricity bill	A logbook of relevant documents is essential for accurately calculating arrear electricity bills.
4.	PAN (Applicant)	PAN stands for Permanent Account Number
5.	Purchase Voucher of the generating plant/ plants	A purchase voucher is a financial document issued by the designated authority to authorize the payment of incurred expenses
6.	Rent Agreement of the Own Generating Plants, if applicable	A rent agreement for an own-generating plant likely refers to a contract between a property owner and a plant operator
7.	Single line electrical distribution diagram showing the detailed load of the premises and change over system with the generating plants	An electrical distribution diagram is a visual representation of the electrical power distribution system in a building or facility. It shows the various components of the electrical system, including the main electrical panel, circuit breakers, fuses, wiring, and electrical loads such as lights, motors, and appliances.
8.	Test Certificate containing test results of the sealed and tested Kwh meter/meters (Energy Meter) along with current transformers, potential transformers, if any	A Test Certificate is a document that confirms the accuracy and reliability of a Kilowatt-hour (KWh) meter's test results

Timeline (WBRTPS)

Approval for DG set installation has an WBRTPS timeline of 30 days till approval by the authorities.
