- d) In case the applicant unable to submit the required documents along with a passport size photo online during application, the same will be collected during Inspection.

If any deviation is found, it will be intimated in due course with provision of execution by Turnkey mode, if necessary.

A Separate Meter Room, as per specification of WBSEDCL, is to be provided.

Quotation will be generated within 15 days from the date of on satisfactory inspection in all respect by WBSEDCL officials & will be available in [Download Quotation Letter](#) tab. Please follow Steps 16, 17 & 18 for downloading, paying and the getting the payment receipt.

Step 19: Quotation E-Payment using RTGS/NEFT

Consumers can e-pay the quotation amount via RTGS/NEFT through Website of respective Bank. In this E-collection procedure, industrial customers of WBSEDCL can pay their quotation amount. There will not be any requirement of preregistration on the part of customers; they can pay the quotation amount in the Virtual Bank Account following the below mentioned logic.

Category of Payments	Account Nos. to be filled up/ mentioned through RTGS/NEFT
For payment of Quotation Amount (New Service Connection & Load Extension Cases)	<div style="text-align: right;">WBQ X</div> <div style="text-align: center;"> </div> <div style="text-align: center;">XXXXXXXXXX YYY</div> <div style="text-align: center;">Customer Ref ID Application No.</div>

Here the length of **Customer Ref ID** is fixed for 9 digits and then last 4 digits of the **Application No.** varies. The virtual account should not contain any blank space and or any other characters/ special characters.

To know the exact Virtual Bank Account No, intending consumers need to check his/her Quotation.

The IFSC Code "**ICIC0000104**" should be used for fund transfer activities in these cases.

The aforesaid IFSC code is related to **CMS, Branch of ICICI Bank Ltd.**

The whole process is integrated with Bank's system using web-service call procedure and the payment posting for successful transactions has been scheduled automatically. For the failed transactions the

bank will return the amount to the respective accounts of the payees wherefrom the amount has been remitted.

Below are some sample screenshots of online RTGS/NEFT payment activity through intending consumer's bank website/app.

The screenshot displays the Axis Bank Internet Banking interface for a NEFT payment. The browser address bar shows the URL <https://retail.axisbank.co.in/wps/rtr>. The page title is "Axis Bank Internet Banking...". The left sidebar contains a menu with options: File, Edit, View, Favorites, Tools, and Help.
